The Concept and Origins of Mistborn: Secret History

Origins and Publication

Mistborn: Secret History was initially circulated as a secret appendix, available exclusively through certain editions or via limited releases. Sanderson crafted it as a hidden narrative thread—an Easter egg for dedicated fans—that explores the unseen activities of key characters during the events of the original trilogy. Its official inclusion in later editions underscores its importance as a canonical extension rather than mere bonus content.

The Purpose of the Novella

The novella's purpose is multifaceted:

1. To provide a deeper understanding of the characters' thoughts and motivations.
2. To reveal unseen events that occurred concurrently with the main story.
3. To expand the cosmology of the Mistborn universe, especially concerning the metaphysical and spiritual aspects.

4. To create a richer, more interconnected narrative, emphasizing that the world's history is more complex than it appears.

Narrative Structure and Style

Point of View and Tone

Mistborn: Secret History is primarily told from the perspective of Kelsier, the legendary Mistborn. Sanderson's prose is introspective, often delving into Kelsier's internal conflicts, doubts, and revelations. The tone is contemplative and occasionally dark, reflecting the weight of the secrets being uncovered and the moral ambiguities faced by the characters.

Nonlinear Timeline

One of the novella's most striking features is its nonlinear narrative, weaving through different moments in time and space, often revealing events that do not align chronologically with the main series. This approach allows Sanderson to:

2. Offer alternate viewpoints on key events.
3. Emphasize the mystery and complexity of the world's history.

Key Themes and Concepts Explored

The Nature of Power and Sacrifice

1. It explains how these powers are tied to the spiritual realm.
2. It reveals hidden truths about the origins of these magic systems.
3. It explores the spiritual consequences of using these powers, especially in relation to Preservation and Ruin.

The Cosmology of the Cosmere
