Websites operated by universities, public libraries, or recognized organizations usually follow strict security and copyright standards. Public domain repositories such as Project Gutenberg or Open Library provide legally free access to certain books without hidden risks.

Reviews and recommendations from reputable forums, libraries, or educational institutions can also help identify safe platforms. When in doubt, searching for *Diana Her True Story In Her Own Words* on the official publisher's website is often the most reliable approach.

Using secure connections is another important factor. Always check that the website uses HTTPS encryption before downloading files.
