As the demand for skilled CNAs grew in the early 2000s, educators sought more engaging, consistent, and accessible methods of instruction. Hartman responded by producing high-quality videos that could be used both in classroom settings and for independent study. Over the years, the series has expanded to cover a comprehensive range of skills, including vital signs measurement, bedmaking, bathing, infection control, and more. The evolution of these videos reflects an ongoing commitment to aligning with updated nursing standards and best practices.
