Her testimony was instrumental in the capture and conviction of the serial killer Robert Hansen, often

referred to as the "Butcher Baker" or "The Alaska Cannibal." Born in the early 1960s, Cindy's early life was marked by instability and hardship, factors that unfortunately contributed to her vulnerability to exploitation and victimization. Her story is not only about a traumatic experience but also about resilience and the importance of survivor voices in the pursuit of justice.

The Abduction and Initial Encounter

The Night of June 13, 1983

On the night of June 13, 1983, Cindy Paulson was a 17-year-old who had been working as a sex worker to support herself. She was attempting to find clients when she encountered Robert Hansen, a local man with a reputation that was unknown to her at the time. Hansen approached her in Anchorage, offering her a ride. However, the situation quickly took a terrifying turn. Hansen drove her to his property, where he held her hostage for several hours. During this ordeal, Cindy managed to escape from Hansen's residence, running to a nearby housing development where she sought help from residents.

Her Escape and Reporting to the Authorities

Cindy's escape was a pivotal moment that led to the start of a significant investigation. She reported her abduction to the police, providing a detailed description of Hansen, his vehicle, and the events that transpired. The Investigation and Revelation of a Serial Killer

Connecting the Dots

In the months following Cindy's report, Anchorage police and FBI agents began to investigate Hansen more thoroughly. They gathered evidence and interviewed other victims and witnesses. As the investigation deepened, it became clear that Hansen was responsible for a series of disappearances and murders of young women. through a combination of forensic evidence, victim testimonies, and investigative work.

This contributed significantly to the prosecution's case and the eventual convictions that followed.

testimonies from other victims.
