Historical Context and Origins

The Terezín Ghetto and Its Cultural Significance

During World War II, the Nazi regime established the Terezín (Theresienstadt) ghetto in Czechoslovakia as a transit camp and a propaganda tool to deceive the international community about the true nature of their genocidal policies. Despite the inhumane conditions, Terezín became a unique cultural hub where Jewish artists, writers, and musicians created works that expressed resistance, hope, and the human spirit. The children's art and poetry emerged from a community that faced the constant threat of death, yet sought to preserve their innocence and humanity through creative expression. The collection "I Never Saw Another Butterfly" was compiled from the works of these young victims, illustrating their perspectives and inner worlds amid unimaginable suffering.

The Creation of the Collection

The collection was assembled by children who lived in the ghetto, many of whom perished before the end of the war. It includes over 15,000 artworks and poems, but the title piece—"I Never Saw Another Butterfly"—became emblematic of their collective voice. The works serve as a testament to their resilience, capturing fleeting moments of beauty, hope, and longing through their art and poetry. This body of work was first published as a book in 1965, edited by Ruth and Emanuel M. Goldberger, bringing international recognition to these young voices. The phrase "I Never Saw Another Butterfly" encapsulates their unfulfilled longing for innocence and freedom, as butterflies symbolize transformation, hope, and life.
